FOR IMMEDIATE RELEASE

AMERICA'S TOP 100 BET-THE-COMPANY LITIGATORS®

July 27, 2021 – Announcing the selection of James M. Thompson among America's Top 100 Bet-the-Company Litigators® for 2021. Selection to America's Top 100 Bet-the-Company Litigators® is by invitation only and is reserved to identify the nation's most exceptional trial attorneys in High Stakes Business Litigation matters.

To be considered for selection, an attorney must have litigated (for either plaintiff or defendant) a matter with the fate of a business worth at least \$2,000,000 at stake. These minimum qualifications are required for initial consideration. Thereafter, candidates are carefully screened through comprehensive Advanced Data Analytics based on a broad array of criteria, including the candidate's professional experience, litigation experience, significant Business Litigation case results, representative Bet-the-Company matters, peer reputation, and community impact in order to rank the candidates throughout the state.

Only the top 100 qualifying attorneys in each state will receive this honor and be selected for membership among America's Top 100 Bet-the-Company Litigators®. With these extremely high standards for selection to America's Top 100 Bet-the-Company Litigators®, **less than one-half percent (0.5%) of active attorneys in the United States will receive this honor** — truly the most exclusive and elite level of Business Litigators in the community.
